HEPA FILTRATION SYSTEM

A more sanitary restroom environment. Paper towels and trough-style hand dryers are proven breeding grounds for bacteria.

Optional HEPA filtration system available for cleaner airflow proven to remove 99.999% of viruses¹ and 99.97% of potentially present bacteria² at 0.3 microns from the airstream.

A CUSTOMIZED HYGIENIC SOLUTION

Our exclusive Kolorfusion digital image technology is used to customize covers and hygiene placards with graphics, team colors, corporate logos, green messaging or any other high-resolution image that adds an extra level of branding to your restroom that will help show your customers that you are taking their health concerns seriously and builds recognition at the same time.
